Notes to Editors

Shares in Ai Claims Solutions plc began trading on AIM in December 1999. The Group has a current market capitalisation of £18.6m and shares are currently trading at a price of 30.25p.

Ai Claims provides a range of services covering all the key aspects of any motor insurance claim. These include the management of Accident Management Services, Cost Containment, Claims, Debt Recovery, Vehicle Repair, Replacement Vehicles and Personal Injury Claims Management.

Ai Claims is proud to be transforming the way that motor insurance claims are handled in a way that benefits everyone: insurers, policyholders, vehicle repair centres, fleets, suppliers, intermediaries and the whole insurance market.

Ai actively manages the claims process to ensure maximum efficiency. The Group is independent, it does not run its own car fleet.

On the 23 February 2007, the Group reported Interim Results for the six month period ending 31 December 2006 showing:

- *Turnover of £14.8m (£20.9m)*
- *Adjusted PBT £609k (£504k)*
- *Gross profit margin increased from 21.3% to 29.9%*

Ai is based in Blackpool and employs 320 members of staff.
